The Leopard

Ft. Hood, Texas

Foreword

School days are said to be the happiest time of life. In bringing you this edition of the LEOPARD, we have tried to preserve the pleasant memories of a happy year through these true pictures of the school activities. May you continue to find happiness in the memories of 1951-1952 in Fort Hood High School long after the year has faded into the sunset.

To you, MRS. BALLARD,
we dedicate this book.

Because we admire your high ideals, recognize your intellectual ability, and treasure your democratic principles, we name you as the honoree for the 1952 LEOPARD. To all of us at Fort Hood you have become a living example of your favorite quotation:

"To thine own self
be true,
And it must follow as
the night the day,
Thou canst not then be
false to any man."

Superintendent Jones and Principal Culwell place trophies in the trophy case, a gift of the Senior Class of 1951.

R.E.L. Jones, Superintendent of Fort Hood High School, received his B.A. degree from Southwestern University and is working toward his M.A. degree at Texas State University.

The school system of Fort Hood has progressed under his efficient guidance since 1947.

We cannot praise too highly our capable Superintendent.

J.C. Culwell, our Principal, received his B.S. degree from Southwestern University and his M.A. degree from the University of Texas. He assumed his duties as Principal of Fort Hood High School in 1947 and has loyally led the students on to many honors.

We, the students of Fort Hood High School, owe much to him for his untiring efforts and splendid leadership.

The organization is composed of two members from each home room and a president, who is also president of the student body and elected by them. Mr. J.C. Culwell, principal, is faculty sponsor of the Student Council. Projects for the year were the purchase of a pop corn machine and a movie camera.
